Constable Michael SMOOK (Cst SMOOK) has continued on the person of interest file on Dawn PALEY.

Cst SMOOK has performed extensive queries through E&R and had an updated RFI completed on PALEY. From the above mentioned queries Cst SMOOK is able to determine that PALEY has no criminal record. PALEY however is extensively involved with the anti-Olympic movement which is obvious from the people she associates with and who her affiliations are with, which are mentioned in the RFI.

Cst SMOOK believes that PALEY should be a person of interest to the JIG and meets the JIG mandate due to her anti-Olympic associates and involvement with the anti-Olympic movement.
